The exercise of the above rights shall not be used for the purpose of unlawful discrimination against any of the school employees. The Superintendent or his or her designee will post position vacancies. The final selection will be based upon the ability to perform required duties. The final recommendation will be made to the School Board through correspondence with the Superintendent. Employees may be subject to a physical examination prior to employment.

EQUAL OPPORTUNITY STATEMENT

South Adams School Corporation is an equal opportunity employer and does not discriminate on the basis of the following "Protected Classes": race, color of skin, sex (including sexual orientation), national origin, age (except as authorized by law), religion, disability, military status, ancestry, or genetic information in its educational programs, activities, or its employment policies and practices.

AFFIRMATIVE ACTION STATEMENT

The corporation does not discriminate, deny benefits to, nor exclude anyone from participation on the basis of sex, race, national origin, age, religion, disability or color of skin. The South Adams School Corporation will comply with the provisions of the Americans with Disabilities Act of 1991 as amended.

CHAIN OF COMMAND

As in any organization, it is important to know who to go to when you have a concern or question. Employees should report concerns or questions to their immediate supervisor. If the immediate supervisor does not know the answer, he/she will be able to direct the employee to the next point of contact. If the concern is regarding the employee's immediate supervisor, the employee should contact the building principal and/or Superintendent.

EMPLOYEE-AT-WILL

Employment by the school corporation does not guarantee placement or continued placement in any one school or particular job. All classified support personnel are at-will employees which means either the corporation or the employee may terminate employment at any time, for any reason or for no reason.

BACKGROUND CHECKS

Potential employees are responsible for the cost of an expanded background check which meets the federal and state requirements for a school employee. A completed background check is necessary prior to the first day of work. South Adams Schools reserves the right not to employ any applicant whose criminal history record indicates an arrest or conviction of a felony, crimes against persons, drug-related crimes, job-related crimes, repeated arrests, offenses that pose a risk to children, or any other criminal activity judged to be improper for a school employee. Beginning July 2016, South Adams Schools is required by Indiana Code 20-26-2-1.3 to conduct an expanded child protection index check through the

Indiana Division of Child Services on all new employees. Each employee is also required to complete an updated criminal history check every 5 years.

OVERVIEW

This handbook was prepared to provide information to all classified employees of the South Adams School Corporation. The provisions contained within the handbook have been reviewed and approved by the Board of School Trustees. It is hoped that through this communication, employees will better understand their benefits and rights of employment with the school district.

A classified employee is defined as any employee who does not require a license issued by the Teacher Education and Certification Division of the Indiana Department of Education to perform his or her duties. Classified employees within the school district basically work either during the school year (nine or more months duration but less than twelve months) or for a full calendar year (twelve month employees). Classified employee categories and the average number of hours are as follows:

Category	Average Number of Hours per Week
9 Month Part-Time	19 or less
9 Month Part-Time	20 – 29.5
9 Month Full-Time	30+
12 Month Part-Time	19.5 or less
12 Month Part-Time	20 – 29.5
12 Month Full-Time	30+

Each of the above defined number of hours are exclusive of lunch time with the exception of nurses, who must remain available for emergencies during lunch.

Specific working hours will be established and assigned by the classified employee's immediate supervisor. All classified employees are hired on an at-will basis.

BOARD'S RIGHT

The School Board shall have the responsibility and authority to manage and direct on behalf of the public the operations and activities of the school corporation to the full extent authorized by law. Such responsibility and activity shall include but not be limited to the right of the Board to:

- A. Direct the work of its employees.
- B. Establish policy.
- C. Hire, promote, demote, transfer, assign and retain employees.
- D. Suspend or discharge its employees in accordance with applicable law and/or School Board policy.
- E. Maintain the efficiency of school operations.
- F. Relieve its employees for duties because of lack of work or other legitimate reason.
- G. Take actions necessary to carry out the mission of the public schools as provided by law.

BOARD POLICY

All employees, whether they are certified teachers or classified staff members, are expected to adhere to the school board's policies and administrative guidelines. School Board policies can be found by going to the school's website (www.southadams.k12.in.us) , click on the DISTRICT tab and select "South Adams Schools Bylaws and Policies".

NOTIFICATION OF ASSIGNMENT

Classified employees will receive an annual letter of assurance. This letter will provide reasonable assurance that South Adams Schools will continue employment for an employee for the following school year in the same or similar capacity as the employee is currently employed.

It should be clearly understood that this letter is used primarily to notify an employee of the corporation's intent to continue their employment. In no way does it alter the "employment-at-will" status of classified employees.

OPERATIONS

TIME SHEETS

All classified employees with the exception of salaried employees must complete time sheets (see Appendix A.) Time sheets are due to the immediate supervisor no later than noon on the Monday following the end of the pay period. An employee should record the beginning time and ending time of each day worked and indicate the total number of hours worked that day. Time is to be recorded in quarter hour increments. If an employee is not actually at work, the reason for absence should be entered in the appropriate place on the time sheet. Reasons may include leave time, bereavement (in which the relationship of the associated family member is recorded), professional development, vacation/holiday (12-month full-time employees), or accumulated sick time. The number of hours worked should be recorded by the employee. However, if the employee was not actually at work on a designated date and using leave time, no time in and time out should be recorded on that date. The immediate supervisor will indicate the number of hours to be authorized for payment, and this determination will be based upon provisions stated in this handbook.

From time to time, it will be necessary due to an early pay date to have time sheets completed at a specified time. Notification of these exceptions will be made through a directive from the superintendent's office.

Overtime hours must have **advanced** approval by the immediate supervisor and also should be indicated in the appropriate place on the time sheet. Payment for approved overtime will be made at the rate of one and one-half times the regular hourly rate. Overtime is calculated exclusively on hours worked.

A time sheet is a legal document, and it is authorization for the school district to pay an employee for services rendered. Care should be taken in completing the time sheet. A signature should only be affixed after an employee is satisfied that all information is truthful, correct, and accurate. Time sheets are eligible for audit by the State Board of Accounts every two years. ** Each time sheet certifies under the pains and penalties for perjury that the representation of hours worked is true and accurate to the best of each employee's ability.*

REPORTING OF ABSENCES

All classified employees are granted a specified number of leave days each school year. In the event of an absence from work, all classified employees must notify their immediate supervisor or his or her designee at the earliest possible time. All personnel must have permission from their immediate supervisor to leave from their jobs during the workday. Failure to properly report absences or when tardiness or absences are not for valid reasons can lead to disciplinary action up to and including termination. Any absence beyond the leave/accumulated sick days provided (e.g. loss of pay day) may result in disciplinary action up to and including termination of the classified employee at the discretion of the employee's immediate supervisor.

COMP TIME

Comp time will be taken as straight time unless a forty (40) hour week has been worked. If an employee has worked over forty (40) hours in the work week, comp time will be given at 1 ½ time. A maximum of forty (40) hours comp time can be accrued. A work week is the period of Sunday through Saturday. Hours worked do not include leave days. (Example: sick time, leave, bereavement leave, vacation, holiday, etc.)

No employee may work more than 40 hours in one week without the prior approval of the building principal or immediate supervisor. Normal hours should be shown on the time sheet as they are actually worked. Comp time hours should be reported on a comp time form. Following approval, comp time must be documented on the time sheet and submitted with supporting documentation to the Payroll department in the Central Office.

PAY DAYS

All employees will be paid every two (2) weeks during their assigned work schedule. At any time, payroll deduction schedules may be changed. Employees whose positions are based on student days will not be compensated during the summer months, unless additional hours are assigned by the administration or their supervisor.

PAYROLL DIRECT DEPOSIT

Direct deposit of payroll checks is mandatory for all employees.

PAYROLL WITHHOLDING

Withholding for Federal Income Tax, Social Security, State Income Tax, and Local Option Taxes are made in accordance with federal and state laws. If there is a change in dependency status or withholding levels, it is the employee’s responsibility to advise the Administration Office and complete new federal and state withholding forms. Any change in residency will require the completion of new payroll withholding forms.

TERMINATION OF SERVICE

An employee’s service and pay will terminate:

1. On the date specified in a letter of resignation.
2. On the last day of work prior to retirement.
3. On the date specified by the Superintendent or his or her designee when discharged.

4. On the date the employee fails to report for scheduled work if he/she does not inform the supervisor of an illness, injury or emergency. (Failure to so report will be considered voluntary resignation as of that date.)

Prior to or on the last day of work the employee shall meet with the Administration Office to complete all exit paperwork. The final paycheck will be distributed on the next applicable pay date, but only if all keys, access and security badges, and South Adams property has been returned. If items are not returned, the costs will be deducted from the final paycheck.

FAIR LABORS STANDARD ACT

The South Adams School Corporation will comply with the following guidelines as set forth in the Fair Labor Standards Act.

Defined 7-day Workweek: 11:59 p.m. Sunday through 10:59 p.m. the following Sunday.

Minimum Wage: The minimum wage will be paid according to federal guidelines.

Overtime Compensation-Hourly Employees: Employees covered under the Fair Labor Standards Act must be paid time at one and one-half their hourly rate when they work more than 40 hours during the defined 7-day work week. Overtime rates apply to work permitted, required or at the request of the employee's supervisor. The Fair Labor Standards Act requires overtime pay only if the employee works more than 40 hours during the seven-day workweek. If an employee works beyond his/her normal workday and receives comparable time off, the law does not require overtime pay. For purposes of applying the Fair Labor Standards Act, the 40-hour total does not include hours for which the employee is paid but did not work, such as vacation days, general days, paid holiday, etc. Hours not worked and not paid, such as unpaid lunch, unpaid approved leave, unpaid vacation etc. do not count in the 40 hours. Employees who regularly perform work in more than one position are eligible for overtime when their total time from all positions exceeds 40 hours during the designated workweek. **Any time worked in excess of 40 hours per week must have PRIOR approval of the employee's supervisor or his/her designee.**

ADJUSTMENT TO WORK SCHEDULES

WORK SCHEDULE ALTERATION DUE TO INCLEMENT WEATHER

The safety and well-being of students in the schools of the South Adams School Corporation are of utmost priority and importance. From time to time during the course of the school year, alterations may need to be made in the regular working schedule due to inclement weather. Changes in the regular schedule will be announced using an automated messaging system and social media.

The following guidelines will be followed due to schedule alteration:

SCHOOL CANCELLATION

If conditions warrant, school may be canceled by the superintendent of schools. The work schedule for classified employees whose school is closed due to weather-related or emergency conditions is as follows:

On a cancellation day, custodians and maintenance personnel will report to school buildings and work. If make-up days are required, affected classified personnel will work in the same manner as certified personnel.

During a time of a Code Red travel emergency officially declared either by Adams County and/or the city of Berne, employees should not report to work unless requested by the superintendent or his/her designee. Custodial and maintenance personnel may be compensated for days affected by the Code Red travel emergency. *Any work that can be completed remotely will be permitted at this time. Work may be required at home during this time. For other inclement weather cancellations, custodial and maintenance personnel will be compensated only for hours worked.

Leave days and vacation time may be used for any school cancellation for inclement weather that will not be made up. Classified employees will be paid for hours worked. If make-up days are required, affected classified personnel shall work in the same manner as certified personnel.

Exceptions to the above regulations may be made by special order of the superintendent of schools or his/her designee.

SCHOOL DELAYS

If school is delayed due to weather conditions or any other cause, all twelve-month classified personnel will report at the regular time. All non-twelve classified personnel will report as directed by the building principal.

If a delay is changed to a cancellation, classified employees will be paid for hours worked. If virtual learning is not possible and make-up days are required, affected classified personnel will not work on the canceled (non-eLearning day). Those hours will be worked and recorded on the specified make-up day.

Bus drivers should plan to begin their duties according to the delay schedule in effect. If a delay is changed to a cancellation with a make-up day required, bus drivers will work on the scheduled make-up day. If a delay is changed to a cancellation with virtual learning, bus drivers will work with the transportation director to make-up affected hours.

Exceptions to the above may be made by order of the superintendent of schools or his/her designee.

EARLY DISMISSAL

If weather conditions deteriorate during the course of a school day and a decision is made to dismiss students early, business office, custodians, and maintenance personnel shall complete their work day unless otherwise ordered by the superintendent. Classified employees will be paid for hours worked. If make-up days are required, affected classified personnel will not work during the early dismissal. Those hours will be worked and recorded on the specified make-up day.

Exceptions to the above may be made by the superintendent of schools or his/her designee.

VIRTUAL/eLEARNING STUDENT DAY

In the event an eLearning Student Day is authorized by the school district in lieu of a traditional school day, classified employees may be required to report for work.

If classified personnel are not required to work on a Virtual/eLearning Day, classified personnel may elect to take the day as an unpaid day or to use an available leave day if the classified personnel wishes to be paid for the day.

Exceptions to the above may be made by the superintendent of schools or his/her designee.

PROFESSIONAL DEVELOPMENT

From time to time, attendance at certain trainings, workshops or meetings may be required to the classified employees. If training is off-site, it is expected a school vehicle will be used if available. If school transportation is not available, employees may be reimbursed for use of their own vehicle.

Permission may be granted by the building principal and superintendent or his or her designee for an employee to attend any elective trainings. Payment of regular wages plus previously agreed upon conference and travel expenses will be made for all previously approved in-service meetings. Any hours worked for professional development will be recorded on a separate time sheet.

LEAVES

BEREAVEMENT LEAVE

Five (5) paid school days shall be granted to a classified employee for the death (including miscarriage or stillbirth) in the immediate family. The five (5) school day computation will not include the day of the death if the employee worked the day of the death. Immediate family is defined as spouse, parent, child, step-child, foster child, unborn child of the employee or employee's spouse, mother-in-law, father-in-law, person living in the employee's household, or any person for whom the employee is the executor of that person's estate, holds that person's power of attorney, or is the sole surviving relative at the time of death. One of the above school days will be for attending the funeral.

Three (3) paid school days shall be granted to a classified employee for the death of their brother, sister, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparent, grandparent-in-law, grandchild, step-siblings, step-parents, step-parents-in-law, step-grandchildren, and step-grandparents. The three (3) school day computation will not include the day of death if the employee worked the day of the death. One of the above days will be for attending the funeral.

For the death of aunts/uncles, nieces/nephews, or first cousins, classified employees shall be granted one (1) paid day of leave for attending the funeral.

Leave under this provision may be taken any time during that contracted school year and supplemental contracted school year. Furthermore, classified employees need not take their leave under this section consecutively.

FAMILY AND MEDICAL LEAVE – ACT OF 1993

A number of leaves allowed under this contract also qualify as leaves entitled to protection under the Family and Medical Leave Act (FMLA). All eligible employees will be entitled to the maximum leave allowed, when necessary, under the provisions of either the specific leave section listed above and/or this family leave section.

An unpaid leave of absence for up to twelve (12) weeks in duration may be granted to eligible employees for certain family or medical reasons. An employee who has been employed for at least twelve (12) months (need not be consecutive) before the leave request and who has worked at least 1,250 hours during the previous year is eligible for a leave of absence pursuant to this section.

A. Qualifying Events

1. A family or medical leave will be granted should the need arise for any of the following qualifying reasons:
 - a. Birth of the employee's child, or the placement of a child for adoption or foster care, and first-year care of the child.
 - b. To care for the employee's spouse, child, or parent who has a serious health condition.
 - c. For a serious health condition that causes the employee to be unable to perform his/her job.
2. Leaves may begin before the birth of a child if a medical condition exists that makes the employee unable to perform the job, or prior to the placement of a child for adoption or foster care if circumstances require absence from work for the placement to proceed. An employee's entitlement to leave for the birth or placement of a child expires at the end of the twelve (12) month period beginning on the date of the birth or placement.

B. Notice Requirement

If the leave is foreseeable, thirty (30) days written notice is required. Failure to provide thirty (30) days' notice for a foreseeable leave may cause the leave to be denied until thirty (30) days after employee first gave the required notice of the foreseeable leave. If the need for leave is not foreseeable, the employee must give notice to the office of the Superintendent as soon as possible.

C. Certification Requirement

Any request for leave due to a serious health condition or due to the serious health condition of a qualifying family member must be supported by a timely certification issued by a health care provider. The employee must provide the requested medical certification with fifteen (15) calendar days after the request was made. If the Superintendent has reason to doubt the validity of medical certification, the employee may be required to obtain a second opinion at school corporation expense. Should any variance between the two medical certifications exist, a third opinion, at school corporation expense, may be requested. This opinion shall be final and binding. Failure to submit the required medical certification may result in the denial of the leave or denial of basis. Medical certification shall be submitted on forms provided by the school corporation.

D. Request Procedure

Requests for leaves of absence and extensions must be submitted in writing and on the prescribed form supplied by the office of the Superintendent unless impossible due to an emergency.

E. Leave Substitution

Employees will substitute accrued vacation, personal leave, sick leave, or other qualifying leave for all or part of any otherwise unpaid FMLA. This qualifying paid leave will be counted as part of the employee's twelve (12) weeks of FMLA leave entitlement. However, the use of paid leave by the employee under circumstances which do not qualify as family medical leave cannot be counted against the twelve (12) weeks of FMLA leave to which the employee is entitled.

F. Maintenance of Group Insurance

During the FMLA, eligible employees will maintain coverage under the employee's group health plan (including life insurance) at the same level and under the same conditions for which coverage would have been provided if the employee had continued in active employment continuously for the duration of such leave. Employees who contribute to such a group health plan must continue to make such contributions during the period of their leave in order to maintain coverage. The employer may recover the premium paid for maintaining an employee's health plan coverage during any period of unpaid leave if the employee fails to return to work for a reason other than the continuation, recurrence, or onset of a serious health condition that would entitle the employee to leave, or other circumstances beyond the employee's control.

G. Restoration to Position and Benefits

Eligible employees returning from family or medical leave within twelve (12) weeks will be returned to the position that they held when they went on leave, or they may be placed in an equivalent position with equivalent benefits, pay and other terms and conditions of employment.

H. Return to Work

Employees returning from any form of leave of absence must be able to assume duties as assigned by the district upon their return. The district and returning employee will adhere to Board Policy – GBD (Return to Work) as applicable. As a condition to restoring an employee whose leave was based on the employee's own serious health condition, such employee must provide certification from the employee's health care provider stating that the employee is able to resume work.

I. Failure to Return from Leave

An employee granted a leave of absence pursuant to this provision who fails to return to work upon expiration of the leave granted shall be classified as "voluntarily terminated."

J. Intermittent or Reduced Schedule Leave

1. During the first twelve (12) weeks of leave for a serious health condition (either an employee's own or that of a qualifying member), intermittent or reduced schedule leave may be taken when medically necessary. Employees seeking intermittent or reduced schedule leave must provide medical certification issued by a health care provider. Employees who have requested foreseeable intermittent or reduced schedule leave due to planned medical treatment may be transferred temporarily to an alternative position at the discretion of the Superintendent if the alternative position better accommodates recurring periods of leave than the employee's regular position, provided the employee is qualified for the alternative position and the position has equivalent pay and benefits. Classified staff are required to take leave in half (.5) day increments.
2. Employees requesting FMLA leave near the end of an academic term will be subject to special rules of the FMLA.

K. Leave Entitlement Period

The twelve (12) month period in which the twelve (12) weeks of family leave entitlement occurs will consist of the twelve (12) month period measured forward from the date the particular employee's FMLA leave begins.

L. Status Reports

During the leave, an employee may be required to provide periodic reports on his/her status and intent to return to work following leave. Requested information must be provided within fifteen (15) days of the request.

M. Jointly Employed Spouses

A total of twelve (12) weeks of FMLA leave will be granted to each jointly employed spouse regarding birth or adoption of a child or to care for a sick parent. If the FMLA leave request is for personal illness, each spouse will be entitled to twelve (12) weeks of FMLA leave.

HOLIDAYS

Holiday pay applies only to 12 month full-time classified employees (30+ hours per week.)

The following official holidays are observed in the South Adams School Corporation are:

- Independence Day, July 4
- Labor Day, the first Monday in September

JURY DUTY LEAVE

The Board shall pay a classified employee who serves on jury duty the difference between jury duty pay and their regular pay.

LEAVE DAYS

Each classified employee shall be granted 2 leave days in the first 60-day probationary period. The remainder of the employee’s leave days will be credited after the successful completion of the probationary period. Those days will be prorated based upon the employee’s start date.

Following the completion of the probationary period, each employee shall be granted leave days as listed in the following table for the transaction of personal business, personal illness and/or health appointments for the employee or the employee’s immediate family, and/or for the conduct of personal or civic affairs during each year of employment:

Years of Service	Personal Leave Days
0	12
1 – 9	10
10 – 18	11
19+	12

Leave days may be taken in ½ day or full day units, calculated in hours, with the exception of bus drivers with dual roles within the school setting. Any absence beyond the leave days provided (e.g. loss of pay day) may result in disciplinary action up to and including termination of the classified employee at the discretion of the employee’s immediate supervisor.

Unused leave days shall not be forfeited. At the end of each school year, unused leave days are credited to the employee’s accumulated sick leave bank for full- and part-time employees. Unused leave days shall accumulate to a total as outlined in the table below:

Employee Type	Max Sick Leave Accumulated Total
9 month employee	95
12 month employee	125

Classified employees who work 20 or more hours per week can be reimbursed for 3, 4, or 5 unused leave days at \$50.00 per day which shall be deposited into the employee's ongoing 401(a) annuity. The reimbursement for said leave days are as follows:

Years of Service	Reimbursable Unused Leave Days
0 – 9	3
10 – 18	4

Accumulated sick leave may be used for personal illness and/or health appointments for the employee or their immediate family.

The accounting of accumulated sick leave days available will be recorded on the employee's pay stub. Employees must exhaust all available paid leave prior to the use of unpaid leave. Any requests for unpaid leave require approval from the employee's immediate supervisor.

The South Adams School Corporation reserves the right to require a physician's statement whenever an employee uses accumulated leave time, only applicable to personal and/or immediate family illness.

Any absence beyond the leave days provided (e.g. loss of pay day) may result in disciplinary action up to and including termination of the classified employee at the discretion of the employee's immediate supervisor.

Unused leave days and accumulated sick days are **not** reimbursable to the employee upon resignation or retirement.

STAFF ABSENCES FOR MEDICAL LEAVE

If circumstances warrant, the Board of School Trustees of South Adams School Corporation may grant a medical or family leave of absence without pay upon request of an employee of the school district. The following steps should be taken if an employee wishes to be considered for and be granted a medical leave:

1. A written request signed by the employee or his or her agent and directed to the Superintendent of Schools and the Board of School Trustees indicating the reason for the leave should be submitted no later than the week prior to the date for Board consideration.
2. Medical substantiation signed by a doctor shall be provided if requested by the Board.
3. The length of the medical leave shall be established in time intervals which will accommodate the overall educational program for the students in the school, that is, the remainder of a marking period, the remainder of a semester, or the like.
4. A medical leave may be extended for a special period of time upon written request and positive action by the Board.
5. All decisions of the Board shall be considered final.

While an employee is on medical leave granted by the Board according to the aforementioned guidelines, the person will continue to be defined as an employee of the school district and will be eligible to participate in the various group insurance programs by individually paying the premiums due. However, no other employment benefits will be granted during the course of the unpaid leave (i.e., sick leave, personal leave, paid vacations, etc.)

VACATION DAYS

Full-time custodians, maintenance personnel, and business office staff who work on a twelve-month schedule earn paid vacation days as part of their employment benefits. Vacation days are granted each year on July 1. Vacation days will be granted in the following increments:

Years of Service	Vacation Days
0	Pro-rated, based on hire date
1	5
2	6
3	8
4-7	10
8-10	12
11+	15

Vacation time is accumulated on the basis of a fiscal year starting on July 1 in the aforementioned increments. Twelve-month full-time custodians, maintenance personnel, and business office staff with any unused vacation days at the end of the current fiscal year (June 30) may be used within the first six (6) months of the upcoming fiscal year (July 1 – December 31). Any unused vacation days after December 31 from the previous fiscal year will expire and cannot be used. Vacation days may be taken in ½ day or full day units, calculated in hours.
