

# Google Meet

## Basic Etiquette for Learning at Home

All microphones should be muted. Please mute yourself when you enter the Meet.

If you would like to talk or ask a question, use the chat box. Wait for the teacher to call on you to unmute your mic and speak.

Pay attention to your teacher and your classmates when they are speaking.

Be dressed and ready to learn! Make sure you are wearing appropriate clothing.

Keep your video on unless your teacher tells you to turn it off.

Make sure you are in a quiet location, ready to learn!

Be respectful. Use school appropriate words and actions.
