

Creating a Parent Canvas Account

PLEASE NOTE: You must use a web browser to create your account. Once you have your login information, you may use the Canvas app.

Click on the Canvas link off of the For Families tab on the SA website – www.southadams.k12.in.us

- Click on “Click Here to Create an Account”
- Enter the following information in the parent sign up form.
 - Parent name
 - Parent email
 - Password – your choice to create
 - *Student Pairing Code – this code will need to come from your child. They will need to log in to their Canvas account, click on Account, then Settings, then Pair with Observer. A six-digit alphanumeric code will appear to be shared with parent.
- Agree to the terms of use by clicking the checkbox
- Click on “Start Participating”

The “Dashboard” will be the first screen you see when you log in. To add an additional child to your profile, click on Account, then Settings, then Observing. Add additional students with the pairing code by following the instructions* above.

Additional notes regarding your account:

- Click on individual courses to view classroom activity.
- Grades posted in Canvas are not the student’s final grade in the course. Please log in to PowerSchool Parent portal to view grades.
- Click on the calendar to view class assignments.
- To adjust email notifications, go to Settings, then Notifications.

Please contact your child’s teacher if you have questions.

Thank you for your participation in the Canvas Parent Portal!
